

The ASA Players Association has developed a networking program designed to bring talented, motivated student athletes to the attention of colleges across the entire country. It is the association's goal that no student-athlete will be overlooked.

On the back of this letter is the questionnaire form for you to fill out and send back. A one-time donation of \$15.00 for copies and postage to college coaches. If you're already in our network and need to update just write update at the top of the form.
